

RWB EHE Biannual Progress Report

Due dates –

Progress: March, April, May, June, July, August – Due [October 15th](#)

Progress: September, October, November, December, January, February – Due [March 15th](#)

I. Organization, and name, title and phone number of person(s) preparing this report.

Organization:	
Name of person preparing this report:	
Title:	
Phone Number:	
E-mail:	

II. Staffing: List any vacant positions and timeframes for recruitment and hiring.

III. Briefly summarize your EHE Program activities and describe each RWB EHE-funded service, by service category provided during the reporting period. Include the following in your response:

- a. Under which RWB service category(s) did you provide EHE-funded services?
- b. How were these services delivered to people and communities disproportionately impacted by HIV during this reporting period?
- c. Was EHE funding used in new/different ways to (a) expand activities already allowable with other RWHAP program or (b) used in an innovative way that you were unable to with other RWHAP funding. Please describe.

- d. Describe how your organization will modify these activities to make additional progress toward the goals for ending the HIV epidemic, better reach people and communities disproportionately impacted by HIV, and/or address other gaps/demonstrated gaps/needs.

IV. In addition to the specific activities described above, please answer the following questions about your organization's RWB EHE- funded program overall:

- a) EHE Program Accomplishments: Describe any significant accomplishments in implementing your EHE program, including rapid access to care and treatment.
- b) How have these activities moved your organization closer to the goal of ending the HIV epidemic?
- c) Attach your organization's EHE Outcomes Report run from PE.

V. Barriers and Challenges: What new and ongoing barriers/challenges have you encountered in implementing the EHE program and agency specific EHE workplan? How did your organization address these barriers/challenges? If DPH can assist with any challenges, please feel free to report that information here.

VI. Narrative on Current Budget: Provide a description of current spending above or below anticipated amounts.
