

**PROJECT
FIRSTLINE**

CDC'S National Training Collaborative
for Healthcare Infection Prevention & Control

Infection Control starts with you.

The **power** is in **you** to
stop the spread of infection.

TEXT DPHPFL to
888-497-5155

for infection control tidbits and updates.

Scan the QR code for
more information on
Project Firstline.

Project Firstline is a CDC and DPH collaboration to promote infection control training for frontline health care workers.
