**FIRSTLINE**

# ESCAPE ROOM

*Experience*

The South Carolina Department of Public Health Project Firstline team and our health care superhero, Captain Germ B. Gone, are at your service! Our team will come to any SC facility for hands-on instruction where you will learn key infection control actions. This is a team-building exercise designed for all frontline health care workers.

## *Learning Objectives*

- Hand hygiene
- Transmission and source control
- Donning and doffing personal protective equipment (PPE)
- Environmental cleaning and disinfecting

***Escape room materials and supplies will be provided.***
