Provider Survey for COVID-19 Vaccine Administration

UPDATE 9/28/2020: This survey is closed. If interested in becoming a vaccine provider or have enrollment questions, please contact COVIDProviderEnrollment@dhec.sc.gov.

DHEC is gathering preliminary information on organizations' interest in receiving and/or administering the COVID-19 vaccine to inform our planning process. Your participation is instrumental in ensuring that DHEC's plans accurately reflect our communities' needs and resources.

Please fill out the survey to indicate your organization's interest in receiving the vaccine and the capacity to provide the vaccine. Please submit only one survey per facility. The information gathered will be used for planning purposes and does not guarantee that your facility will become a provider or receive vaccine when it becomes available.

Upon completing the survey, you will receive an automated reply from our COVID-19 vaccination provider email address: covidproviderenrollment@dhec.sc.gov. DHEC will continue to share information about the COVID-19 Vaccination as it becomes available.
