2. Select your desired report options and click 'Run Report'.

The screenshot shows a web application interface with a 'PDF Options' dialog box open. The dialog box has a title bar with a question mark icon. Below the title bar, the text 'Assessment Type: AFIX Childhood On-Demand' is displayed. There are two columns of checkboxes, all of which are checked. The first column includes: 4 DTaP, 1 MMR, UTD Hep B, UTD Pneumococcal, 1 Flu, and 4:3:1:3:3:1:4 Series. The second column includes: 3 Polio, UTD Hib, 1 VAR, UTD RV, and 2 Hep A. Below these checkboxes, a note states: 'If a checkbox is unselected, the vaccine will not appear on the PDF output within the graph.' Underneath this note is a section titled 'Milestones' with three unchecked checkboxes: 'Healthy People 2020 Targets', 'Jurisdiction Average', and 'County Average'. At the bottom right of the dialog box are two buttons: 'Cancel' and 'Run Report'.

3. Report will open in a new window.
