

# CBG 'n Me

-Nature Butterfly-

## Items Needed

- Scissors
- Glue Stick
- Paper
- 1 stick or twig for the body
- Your choice of leaves or flower petals for the butterfly's wings
- Your choice of plant to form the butterfly's antennae

## Step 1:

- Collect leaves, twigs, petals, plant.
- Once you have all materials, use scissors to cut the twig and leaves to the shape and size you want the butterfly to be

## Step 2:

- Place and adjust the body, wings, and antennae on the paper to your liking
- Once your butterfly looks how you want it to, glue down the body, wings, and antennae
