

CBG Paper Lanterns

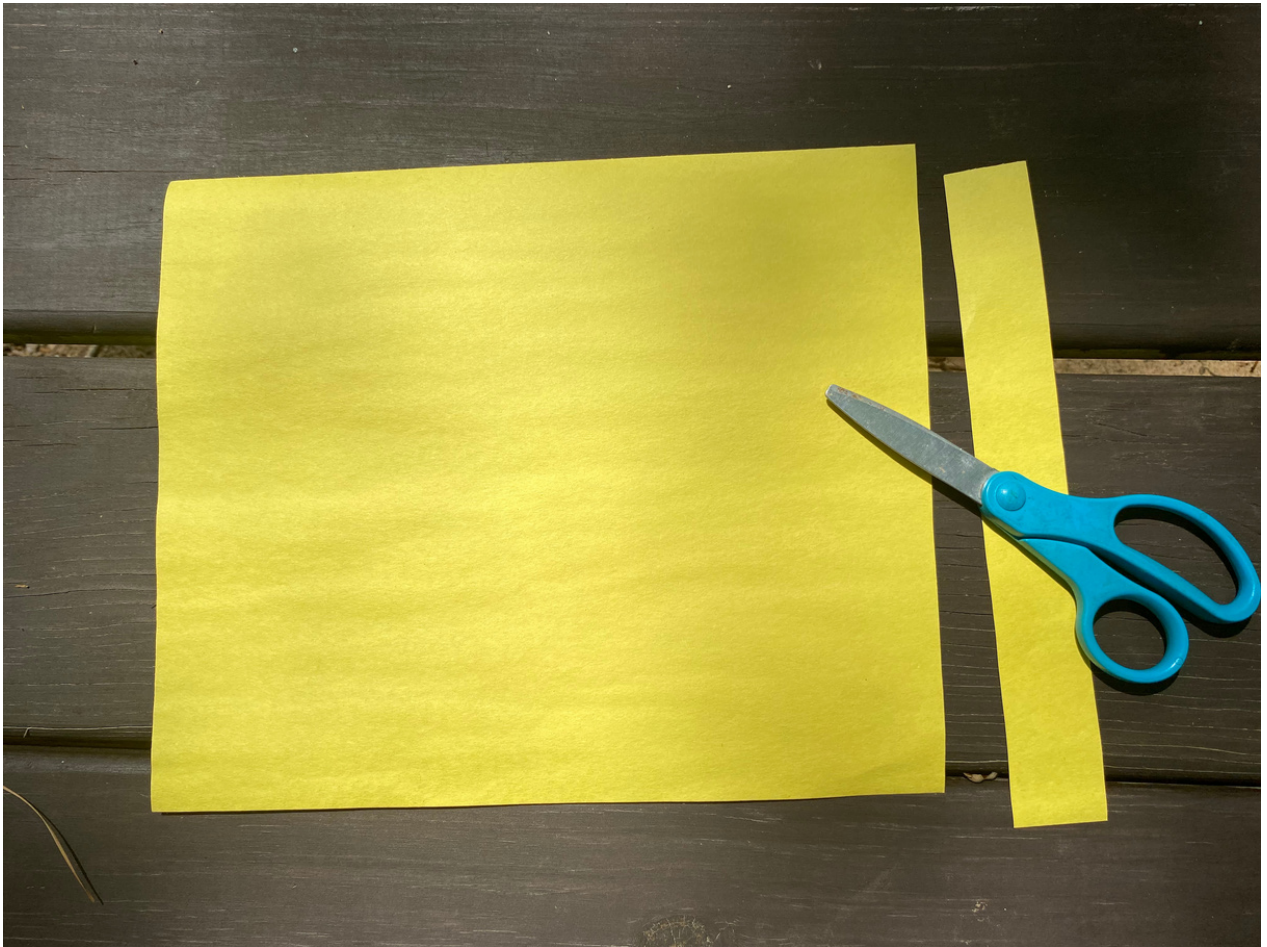

Supplies

- Colorful construction paper
- Scissors
- Markers, crayons, colored pencils, etc.

Instructions

Step 1: Grab any color construction paper, cut a small strip off the short end, and set aside

*Note this strip will be used as the handle

Instructions

Step 2: Fold the construction paper hot dog style (vertical)

Instructions

Step 3: Cut lines down the spine of the folded paper

Instructions

Step 4: Unfold the paper then decorate it however you like

Instructions

Step 5: Fold the paper to make a tube, then staple or tape ends together.

Instructions

Step 6: Take the paper handle you made earlier and tape or staple the ends on the inside of the lantern's top.

Instructions

Step 7: Then hang your lantern anywhere you would like.
