

CBG 'n Me

-Rainbow Bubble Blower-

Materials Needed:

- Plastic bottle
- Sock
- Duct tape or rubber band
- Dish soap and water
- Food coloring (optional)
- Container
- Scissors

*Food coloring may stain hands or clothing

Instructions:

- Cut off the bottom of an empty plastic bottle.
- Put a sock over the end of the bottle.
- Secure the sock with a rubber band or duct tape
- For colorful bubbles, put a couple drops of food coloring on the end of sock.
- Mix some dish soap and a little bit of water in a shallow container
- Dip the sock covered end of the bubble blower into the solution.

- Gently blow through the spout end of the bottle
