

SC EMSC Pediatric Webinar Series: Enduring Material

Activity Overview: The overall goal of the enduring material activity is to present learning topics and subjects for hospital and prehospital professionals in SC who work with pediatric emergencies, pediatric trauma, and pediatric injury prevention.

Each session module is independent and has been approved for AMA PRA Category 1 Credit(s)[™]. Specific credit designation statements are listed above the individual modules. Participants can choose to complete all or individual activities for CME credit.

Target Audience: Physicians, APPs, Nurses, Injury Prevention Coordinators, and EMS personnel who treat pediatric patients in South Carolina.

Disclosures: Planning Committee members Kevin Polley, MD, Amanda Felder, Karen Moore, and Daniel Layton have no relevant financial relationships with ineligible companies to disclose. There is no commercial support for this activity.

Instructions: View each CME module below and follow the instructions. The minimum performance level to successfully qualify for AMA PRA Category 1 Credit[™] is provided. After completing the module and evaluation, your participation will be recorded in our CME database. CME transcripts are available upon request by contacting the CME office at cpdsa@uscmcd.sc.edu or 803-434-4211.

Modules:

Module 6: Pediatric Pain Management: Prehospital Recognition, Assessment, & Treatment

Activity origination date: December 7, 2022

Expiration date: December 7, 2025

Duration: Approximately 1 hour

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of South Carolina School of Medicine – Prisma Health-Midlands Continuing Medical Education (USCSOM-PHM CME) Organization and the South Carolina Department of Health and Environmental Control. The USCSOM-PHM CME Organization is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: The USCSOM-PHM CME Organization designates this enduring material activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosures: BJ Merry, speaker of this event, has no relevant financial relationships with ineligible companies to disclose. Planning Committee members Kevin Polley, MD, Amanda Felder, Karen Moore, and Daniel Layton have no relevant financial relationships with ineligible companies to disclose. There is no commercial support for this activity.

Module Learning Objectives: Upon completion of this module, the participants should be able to:

1. Determine the benefits of Peds Ready SC for EMS agencies.
2. Identify the pitfalls in pain recognition and treatment for pediatrics in the prehospital setting.
3. Assess the recognition of pain in the pediatric population.
4. Discuss pain assessment tools for the pediatric patient.
5. Identify pain treatment options for the pediatric patient.

Instructions:

1. Click the link below to view the video (opens in a new browser window). For best viewing results, a modern browser is recommended. The video must be viewed in its entirety to receive CME credit.
2. Click the link below to complete the evaluation. Credit will be awarded for participation once the evaluation is completed.
