

Moderna COVID-19 Vaccine Shelf-Life Extensions

Expiration dates of the following Moderna products have been extended. Some of these lots are MOD 10 (ages 12+) and some are MOD 5 (ages 6-11). **All of these lots are monovalent COVID-19 vaccine for primary use only.** Moderna has verified the new expiry dates below and updated the Moderna Vial Expiration Checker: <https://modernacovid19global.com/vial-lookup?#vialLookupTool>

Lot	OLD Expiry (9 months from DOM)	New Expiry (verified)
013B22A	11/22/2022	2/22/2023
