				\$13,975.00
Outreach and Prevention Services-The Bee Box is a socio-emotional toolkit for survivors who disclose in public spaces (distributed among hospitals, police stations, schools, churches, and other community-based locations), monthly trainings, and tabling in the community along with our bi-lingual podcast, Somos Melanted Voices. The Hive Prevention programming includes a teen and parent prevention program, The Buzz Pak. The Buzz Pak is a 5-week curriculum that fosters healthy relationships, autonomy, and healthy parent-leen relationships. Within our prevention programming, The Hive also provides day training to organizations, healthcare professionals, and advocates on sexual assault, intimate partner violence, stalking, and providing culturally specific services.				\$29,406.04
Survivor support services: Full implementation of crisis counseling, peer victim advocacy, wrap-around case management services, and psychoeducational peer support groups for adult women and teen girls.				\$39,984.46
Salary-Peer Support Services Manager				\$13,546.22
Training for staff as well as organizational development support.				\$19,261.04
