Quarter 2

Quarter 3

Quarter 4

Remaining Balance

Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The City of Isle of Palms awarded the contract for the stormwater project to Thomas and Hutton. The contractor is working on the design, engineering, and permitting. We anticipate getting the permits in FY25 to start and complete construction by June 2026. This is an estimate as we have to get the permits before a true timeline can be determined.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.

Reason for Rejection: (Entity will receive this in email response.)
