Remaining Balance

Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

We have a multi-year plan to use the funds to continue the maintenance of the historic site, provide a round of headstone restoration, and provide educational outreach to the public about this site. We are very early in our grass cutting season and have not yet hired workers for the educational outreach or restoration work, but plan to make progress in these areas this fall. We do not have an anticipated completion date at this time.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
