Remaining Balance

Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

We will be invoiced as we get through project timelines with the build. We are working with the county to finalize the floor plan to ensure it meets the needs of our community. Then we can get our permits and have the land cleared. Once we have that we can begin the build process but we are still fundraising to finalize the entire building.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.

Reason for Rejection: (Entity will receive this in email response.)
