Remaining Balance

Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

Unspent funds for wall mounted scale and portable x-ray machine. Unfortunately, at this time we do not have available space in the current shelter to store/mount a portable scale or x-ray machine. We cannot reduce animal occupancy to make space for any additional large pieces of equipment. We own over 11 acres of land and have been approved by DHEC to build an animal shelter on our property located at 2587 Watertower Rd in Longs, SC. We are actively fundraising and in the process of getting permits approved by Horry County to start construction on our new building hopefully, this fall. Once constructed we will have the space to not only move the equipment already obtained and in use, but also purchase additional equipment for veterinary diagnostics.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
