## Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The Town of Sharon is working to get each one of our projects completed. We should be finishing up at the Community Center Annex very soon and will be moving to start on the Park upgrades. Still need to secure property for the commercial well, but I have begun working on that portion of the project. The Burri Building will most likely be our last project.

## Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.

Reason for Rejection: (Entity will receive this in email response.)
